7. Cellular Radiotelephone Service - See Subpart H, Part 22, which specifies additional exhibits that are required.

8. Each document required to be filed as an exhibit should be current as of the date of filing. If reference is made to information already on file with the Commission, see item 9 below.

(A) If this notification modifies the authorization, then attach an exhibit explaining why the changes were deemed necessary and the purpose they serve.

**Referencing**

9. You may incorporate by reference documents, exhibits, or other lengthy showings already on file with the Commission **only if**: the information previously filed is **more than one 8½" by 11" page in length**, and all information therein is current and accurate in all significant respects; the reference states specifically where the previously filed information can be found (i.e., station call sign and application file number, title of proceeding, docket number and legal citations), including exhibit and page references. Questions on this form that call for numbers, or can be answered by a "yes" or "no" or other short answer must be answered as appropriate and must **not** be referenced to a previous filing. See Section 22.115(b) of the Rules.

**Current Information**

10. Information filed with the Commission must be kept current. The applicant must notify the Commission regarding any material change in the facts as they appear in the application. See 47 CFR 1.65.

**Paperwork Reduction and Privacy Act Notice**

11. The solicitation of personal information requested in this form is authorized by the Communications Act of 1934, as amended. The Commission will use the information provided in this form to determine compliance with radio station construction, modification and notification requirements in the Commission's rules. In reaching that determination, or for law enforcement purposes, it may become necessary to refer personal information contained in this form to another government agency. In addition, all information provided in this form will be available for public inspection. If information requested on the form is not provided, processing of the application may be delayed or the application may be returned without action pursuant to the Commission rules. Your response is required to obtain the requested authority.

Public reporting burden for this collection is estimated to average 3.6 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to Federal Communications Commission, Office of Managing Director, Washington, D.C. 20554, and to the Office of Information and Regulatory Affairs, Office of Management and Budget, Paperwork Reduction Project (3060-0046), Washington, D.C. 20503.

The foregoing Notice is required by the Privacy Act of 1974, P.L. 93-597, December 31, 1974, 5 U.S.C. 552a(e)(3), and the Paperwork Reduction Act of 1980, P.L. 96-511, Section 3504(c)(3).

## Application for Assignment or Transfer of Control of Public Mobile Service Station

### General Information and Instructions

1. The FCC Form 490 is in two parts. Part 1 is to be completed by Assignor or Transferor. Part 2 is to be completed by the Assignee or Transferee.

2. Remove the instructions before submitting the form to the Commission.

### Applicable Rules and Regulation

3. Before the application is prepared, applicant should refer to Part 22 of the Commission's Rules and Regulations, copies of which may be purchased from the Superintendent of Documents, Government Printing Office, Washington, D.C. 20402. Subparts B and C of Part 22 apply to all types of applicants and in certain instances may require information to be filed with an application in addition to that specified in this application form. Applicants should make every effort to file complete applications. Failure to do so can result in a dismissal or return of the application or a delay in the processing of the application.

### Paper Copies

4. The number of paper copies to be submitted varies depending on the type of service applied for. See 47 CFR 22.6 for specific instructions.

### Microfiche Copies

5. All filings of this form must be submitted on microfiche. Submit three microfiche (one original and two copies). See 47 CFR 22.6. Each microfiche must be a copy of the signed original. Each microfiche copy must be a 148mm X 105mm negative (clear transparent characters appearing on an opaque background) at 24X to 27X reduction for microfiche or microfiche jackets. One of the microfiche sets must be a silver halide camera master or a copy made on silver halide film such as Kodak Direct Duplicating Film. The microfiche must be placed in paper microfiche envelopes and submitted in a 5" x 7.5" envelope. Row "A" (the first row for page images) of the first fiche must be left blank.

### Fee

6. A processing fee may be required with this application. Refer to either 47 CFR 1.1105, the Common Carrier Services Fee Filing Guide, or call 202-632-FEES for appropriate fee. **DO NOT SEND CASH.** Payment may be made by check, bank draft, or single money order payable to: **Federal Communications Commission.**

### Specific Instructions

7. Attach as an exhibit a copy of the current authorization and subsequent associated notifications in reference to the call sign in Item 7(b).

8. If the answer to Item 5 is "NO," then attach an Exhibit giving the file numbers, location numbers and frequencies of any locations of facilities (covered by the call sign in Item 7(b)) being assigned or transferred either presently under construction or operational for less than one year.

9. If the answer to Item 12 is "Involuntary" then attach as an Exhibit a copy of the court order or other legal instrument by which the assignee or transferee has obtained the legal right to construct or to control the use and operation of the station as a result of involuntary act of assignor.

### Exhibits

10. Each document required to be filed as an exhibit should be current as of the date of filing. If reference is made to information already on file with the Commission, see item 18 below.

(A) If the applicant does not comply with Section 310(b) of the Communications Act of 1934, as amended, and Section 22.4 of the Commission's Rules regarding alien ownership and control, then attach a statement describing applicant's ownership or control by aliens.

(B) If the applicant or any party to this application has had any FCC station license or permit revoked or had any application for permit, license or renewal denied by the Commission, then attach an exhibit giving call sign of license or permit revoked and relate circumstances.

(C) If any court finally adjudged the applicant, or any person directly or indirectly controlling the applicant, guilty of unlawfully monopolizing or attempting unlawfully to monopolize radio communication, directly or indirectly, through control of manufacturing or sale of radio apparatus, exclusive traffic arrangement, or any other means or unfair methods of competition, then attach a statement relating the facts.

(D) If the applicant, any party to this application, or any person directly or indirectly controlling the applicant has ever been convicted of a felony by any state or federal court, then attach a statement relating the facts.

(E) If the applicant, or any person directly or indirectly controlling the applicant, is presently a party in any pending matter referred to in Instructions 10(C) and 10(D), then attach a statement relating the facts.

(F) If the applicant is a corporation and is directly or indirectly controlled by any other corporation, then attach the name and address of such controlling corporations, including the organization having ultimate control.

(G) Attach FCC Form 430 (Common Carrier and Satellite Radio Licensee Qualification Report) unless a current one is on file with the Commission.

### Referencing

11. You may incorporate by reference documents, exhibits, or other lengthy showings already on file with the Commission **only** if: the information previously filed is **over one 8½" by 11" page in length**, and all information therein is current and accurate in all significant respects; the reference states specifically where the previously filed information can be found (i.e., station call sign and application file number, title of proceeding, docket number and legal citations), including exhibit and page references. Questions on this form that call for numbers, or which can be answered by a "yes" or "no" or other short answer must be answered as appropriate and must **not** be referenced to a previous filing. See Section 22.13(b) of the Rules.

### Current Information

12. Information filed with the Commission must be kept current. The applicant should notify the Commission regarding any material change in the facts as they appear in the application. See Section 1.65 of the Commission's Rules.

**Waivers**

13. Requests for waivers must contain a statement of reasons sufficient to justify a waiver, under Section 22.119 of the Rules. A separate request, with the required showing must be made for each rule waiver desired, identifying the specific rule or policy for which the waiver is requested.

**Paperwork Reduction and Privacy Act Notice**

14. The solicitation of personal information requested in this form is authorized by the Communications Act of 1934, as amended. The Commission will use the information provided in this form to determine whether grant of this application is in the public interest. In reaching that determination, or for law enforcement purposes, it may become necessary to refer personal information contained in this form to another government agency. In addition, all information provided in this form will be available for public inspection. If information requested on the form is not provided, processing of the application may be delayed or the application may be returned without action pursuant to the Commission rules. Your response is required to obtain the requested authority.

Public reporting burden for this collection is estimated to average 2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to Federal Communications Commission, Office of Managing Director, Washington, D.C. 20554, and to the Office of Information and Regulatory Affairs, Office of Management and Budget, Paperwork Reduction Project (3060-0046), Washington, D.C. 20503.

The foregoing Notice is required by the Privacy Act of 1974, P.L. 93-597, December 31, 1974, 5 U.S.C. 552a(e)(3), and the Paperwork Reduction Act of 1980, P.L. 96-511, Section 3504(c)(3).
